

IEEE Control Systems Society

Xin Chen

is recognized as a

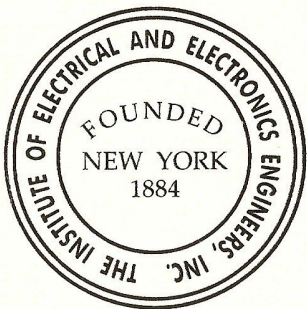

2018 IEEE CCTA Best Student Paper Award Finalist

for the paper co-authored with Changhong Zhao and Na Li, titled "Distributed Automatic Load-Frequency Control with Optimality in Power Systems"

Presented at the

2nd IEEE Conference on Control Technology and Applications

August 21-24, 2018, Copenhagen, Denmark

A handwritten signature in black ink, appearing to read "Francesco Bullo".

Francesco Bullo
President
IEEE Control Systems Society

A handwritten signature in blue ink, appearing to read "Alessandro Beghi".

Alessandro Beghi
Chair, CCTA Best Student Paper Award Committee
IEEE Control Systems Society
